Organization	Description	Contact Information
<p><b>Patient Assist Programs</b> - PAPs (Patient Assistance Programs) are run by pharmaceutical companies, doctors, other health care providers, etc., to provide free, nearly free, or discounted medications to people who cannot afford to pay for their prescriptions. Take time to explore as many programs as possible so you can find the one(s) that best suit your needs, as the qualifying criteria, medications, and services vary greatly. Most programs are for low income, uninsured or underinsured, but some have exceptions. When inquiring, know the name (brand and generic, if exists) of all your medications. Have your income details and your insurance prescription coverage information ready. The following are sources of information about many different PAPs.</p> <p><i>Many pharmaceutical companies can be contacted directly for their programs.</i></p>		
<p><b>Douglas County CO Prescription Drug Discount Card</b></p>	<p>Card is a free statewide discount prescription assistance program to help uninsured and underinsured residents. No income, age, pre-existing condition, deductible, or waiting period.
