Parker Task Force Seeks Donations from the Community for Thanksgiving Meals

The Parker Task Force is asking for your help in making the Thanksgiving holiday brighter for local families in need. The food bank is seeking donations of holiday food baskets so that families may prepare Thanksgiving meals in their homes. Food baskets should feed a family of four to six people and contain a complete Thanksgiving meal:

Frozen Turkey	Chicken Broth	Canned Green Beans
Butter	Stuffing	Canned Cream of Mushroom Soup
Dinner Rolls	Gravy-Turkey, Chicken	Canned Fruit
Pie	Potatoes (5lb bags)	Sweet Potatoes
Cool Whip	Cranberry Sauce	Paper Plates and Napkins
Marshmallows		

These baskets (or boxes) may be dropped off at the Parker Task Force building at 19105 Longs Way between 9:00 a.m. and noon on the following days prior to Thanksgiving: Friday November 13th, Saturday November 14th, Tuesday November 17th, Wednesday November 18th, Friday November 20th, and Saturday November 21st. The meals will be distributed on Sunday November 22nd.

The food bank is also seeking monetary donations in any amount. According to Pat Greaser President of the Parker Task Force, “The holiday season is a vital time to raise money for all non-profits”. Any additional funds collected during Thanksgiving will be used to help provide limited financial assistance to prevent eviction or utility shut off through the winter months.

Checks made payable to the Parker Task Force (memo: Thanksgiving) may be mailed to the Parker Task Force, 19105 Longs Way, Parker, CO 80134. You may also make a Thanksgiving contribution using PayPal through the Parker Task Force website, www.parkertaskforce.org.

The Task Force can also use gift cards for local grocery stores. These are used to purchase perishable food for the food bank, for example, milk, eggs, cheese, meat and produce.

If you would like more information about the Thanksgiving efforts, call the Parker Task Force at (303)-841-3460 or send an email to foodbank@parkertaskforce.org.

Thanksgiving dinners are just one of the services provided by the Parker Task Force, a non-profit organization operated solely by dedicated volunteers providing short-term support including a food bank and limited financial assistance to those in need throughout the Parker, Elizabeth, and Franktown communities.
